Vendor layout is dependent upon the city services to the park.

Agreed the garbage was handled much more efficiently this year, the smaller boxes were a great help.

Carnival did pay for the ice this year.

Entertainment for the most part was well received; the Space Hats were a little too loud. And the Braun's could have been louder.

Treasurer report approx. \$16,000.00 is now in the general account.

Gary will do an accounting for the Dairy day expenditures
